Exposed: Lunar Astro Memes & Deepanshu Giri’s Cyberbullying Troll Farm

The Dark Side of Lunar Astro: Cyber-Terrorism and Harassment

When consumers, critics, or whistleblowers attempt to expose the fraudulent practices of **Deepanshu Giri** and the **Lunar Astro Vedic Academy**, they are met with a vicious, coordinated cyber-harassment campaign. This dossier exposes the individuals and proxy pages responsible for severe digital abuse, child endangerment, and criminal intimidation.

The Proxy Pages: “Lunar Astro Memes” and “Lunar Astro Videos”

Deepanshu Giri utilizes anonymous proxy Facebook pages—specifically **Lunar Astro Memes** and **Lunar Astro Videos**—to execute targeted attacks against critics while attempting to shield himself from legal liability. The tactics used by this network cross the line from online trolling into severe criminal behavior:

- **Child Exploitation & Endangerment:** The network has maliciously morphed photographs of victims’ minor children (photoshopping animal faces over them) to inflict severe emotional distress on families.
- **Outraging the Modesty of Women:** The network illegally scrapes private photographs of whistleblowers’ wives, cropping their faces and publishing the images with highly obscene, sexually colored captions.
- **Criminal Intimidation:** Deepanshu Giri and his proxies have issued explicit, written threats to critics, stating publicly: *“If someone will say dirty things... I will make their life hell.”*

The Lunar Astro Troll Farm: List of Operatives

This harassment is not carried out by Deepanshu Giri alone. Lunar Astro operates a dedicated “Troll Farm” consisting of students, staff, and loyalists who act as an enforcement arm. They actively participate in the cyberbullying of victims, distribute non-consensual imagery, and mass-report genuine complaints.
